Lighting the way forward for artists around the world

TANGLA LIGHTING AND LIVING LIMITED ART SERIES

Tangla Lighting and Living Limited is a leading European lighting brand whose focus is to add real value to homes, buildings, and projects through our trendsetting lighting designs.

Our new Art Series Collection is a celebration of up and coming artists, showcasing some of their iconic artworks on high-quality printed shades on a wide selection of our most successful lighting designs.

In every collection we will highlight a selected artist, who was carefully chosen by our internal art-loving panel. The chosen artist licenses the use of the artwork for lighting products exclusively to Tangla Lighting and Living Limited and in return we pay out a license fee to the artist. In this way we are supporting artists by helping them to continue with their artistry and passion.

About

Caroline Duncan-Starmann

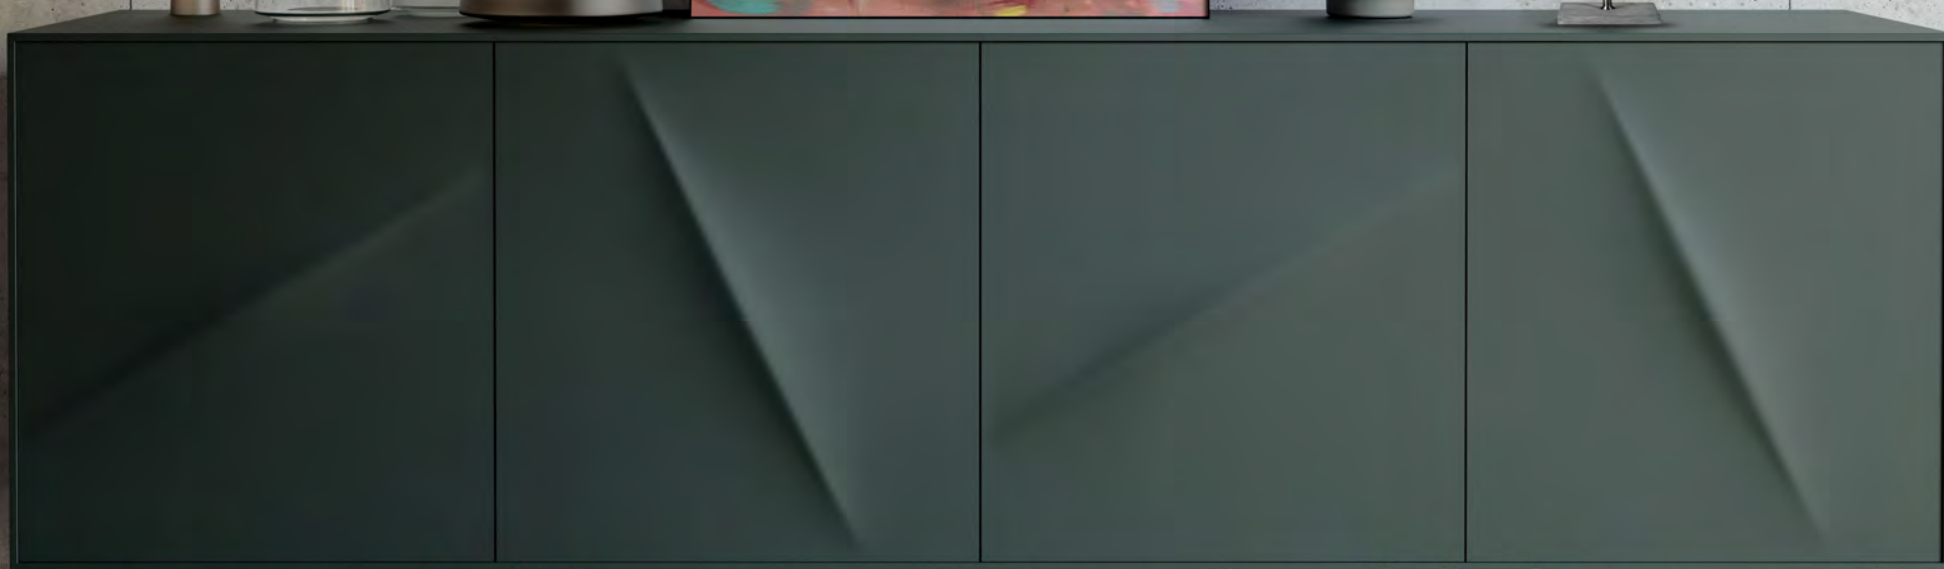

I am a mother of three wonderful boys. I have loved everything related to colors, materials and textures ever since I was a little child.

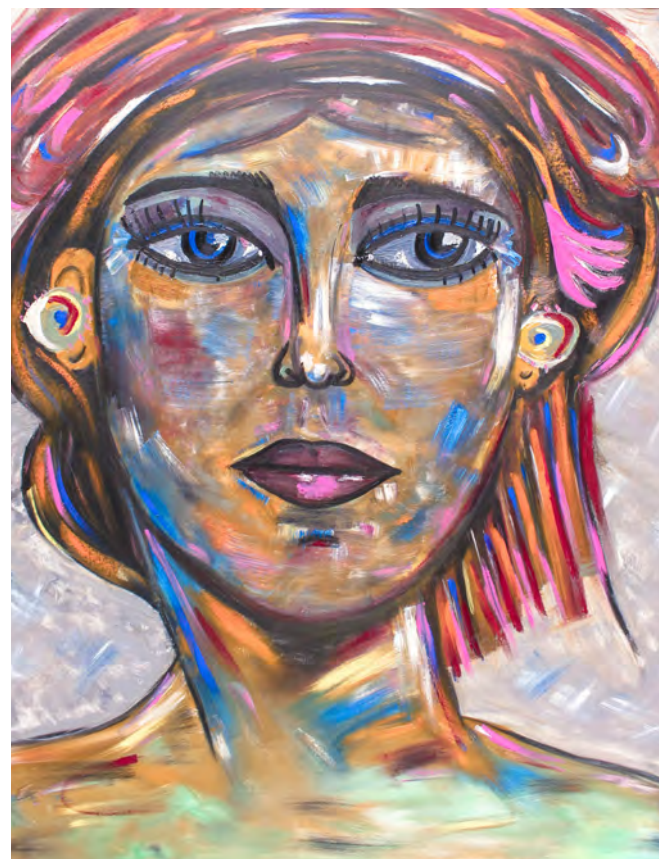

I have a great connection with nature and love animals. I feel a spiritual touch and love when it inspires me. I often sink into the beauty and details of all the little things for several hours at a time.

I have high feelings of empathy and love towards motivational or inspirational quotes and will allow myself to be absorbed into them.

Faithfulness, loyalty and honesty, in my belief, leads to a good lifestyle.

Behind
the Canvas

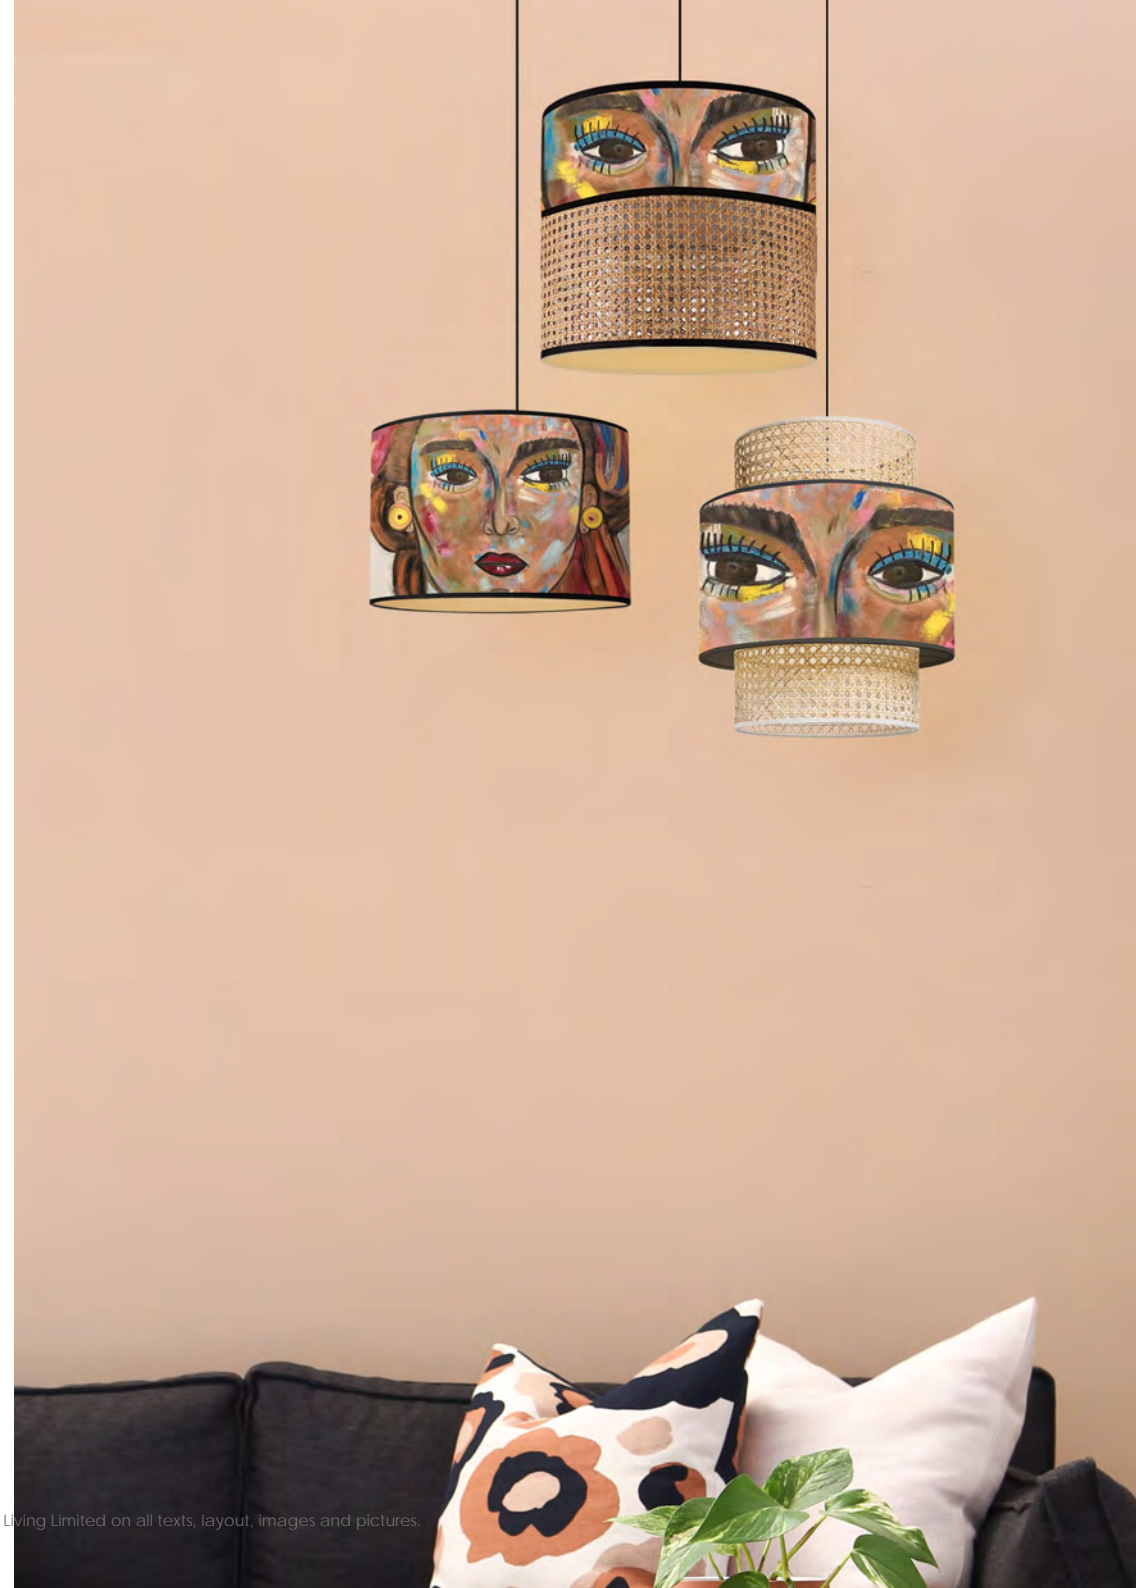

CANDIS

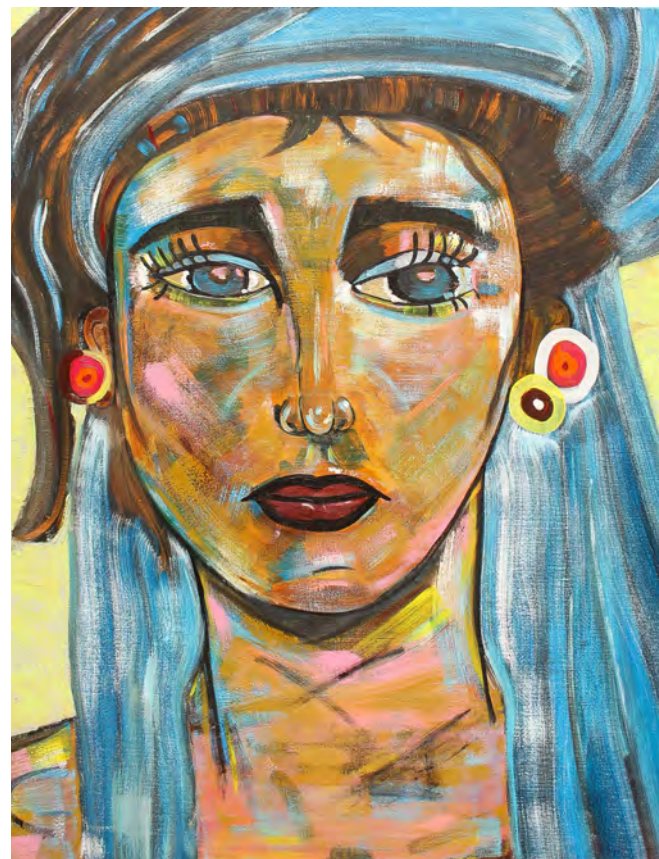

Candis, the Pure and Honest is real, transparent and authentic. She lives according to her own wishes and values. There is no pretension to be someone else. Candis is not influenced by her surroundings and she is simply herself all the time.

MEI

Mei, Ravishingly Beautiful but composed shows the real beauty in a woman, which is reflected in her soul. It is the caring that she lovingly gives and the passion she shows. Women`s eyes are the entrance to their heart and these eyes can tell she has gone through a lot but keeps strong and cautious.

HAZEL

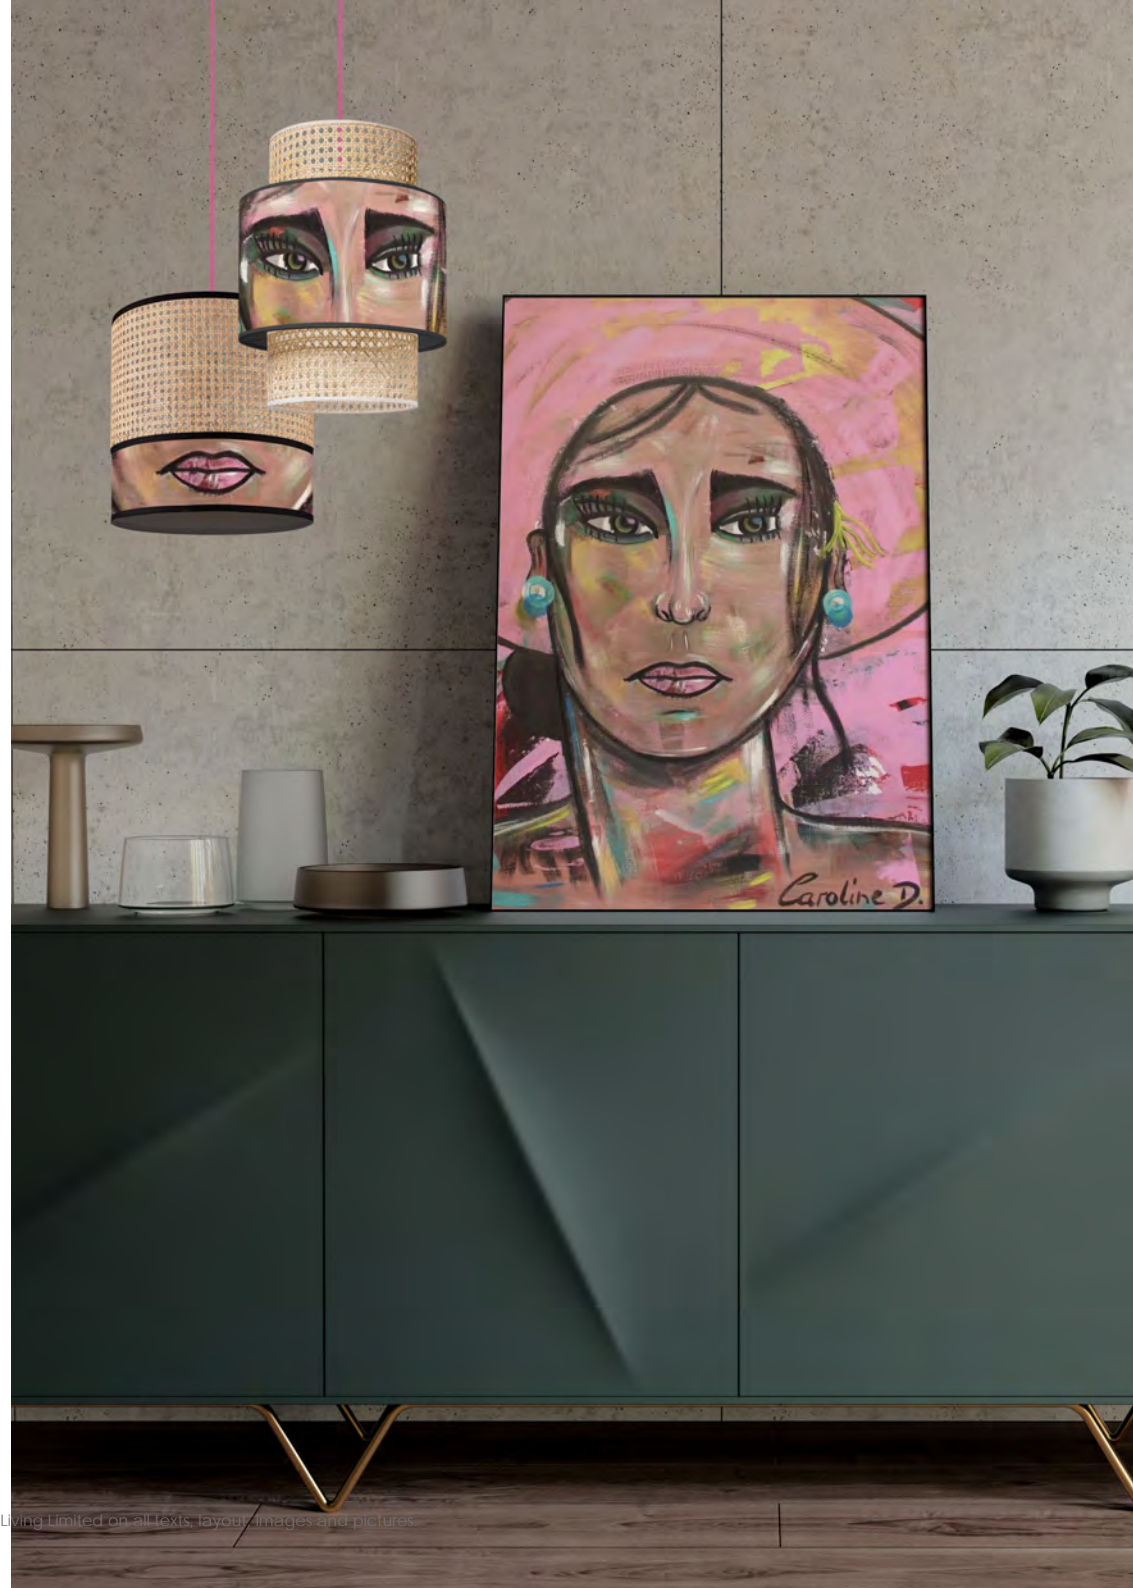

Hazel, The Uncertainty desires nothing more than to be in harmony with her external and internal appearance. She envisions to have a deep inner trust in her own abilities. She strives to be able to have deep relationships and be proud of her own path in life. Even in extreme external situations, she wishes to be able to maintain her strong inner calm.

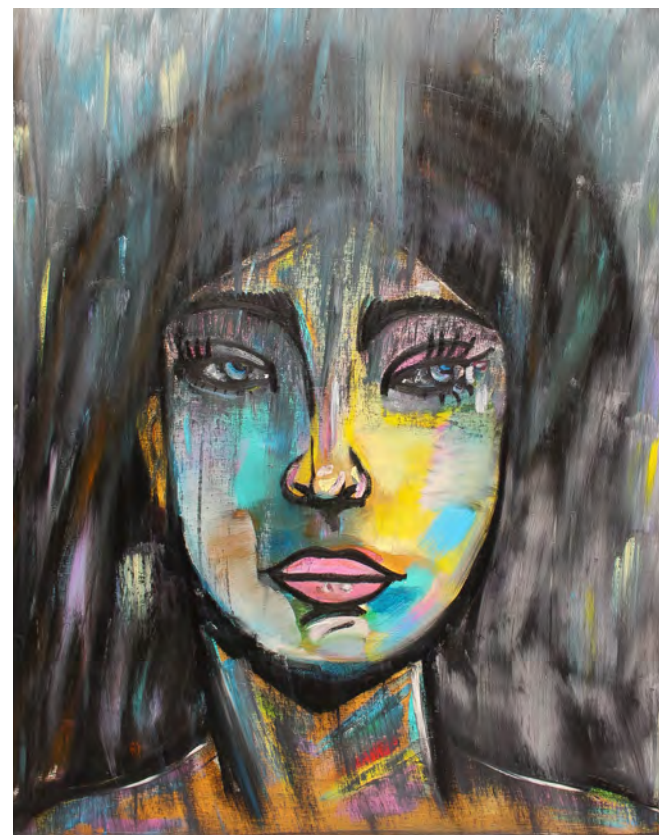

Carolin

HIRAGANA

Hiragana, The Reflection has a deep knowledge of the world. She has refined her understanding of different cultures. She copes well with differences and begins to wonder whether material things should be completely unimportant and superfluous for her life.

FAITH

Faith, The One With Trust Issues relies on her mind as much as her heart. She is tired of being hurt as she unfortunately has had many unfulfilled promises in the past. There is still some colourful light inside of her called "hope" but if she is going to give herself to someone, then only if she knows that the person is trustworthy.

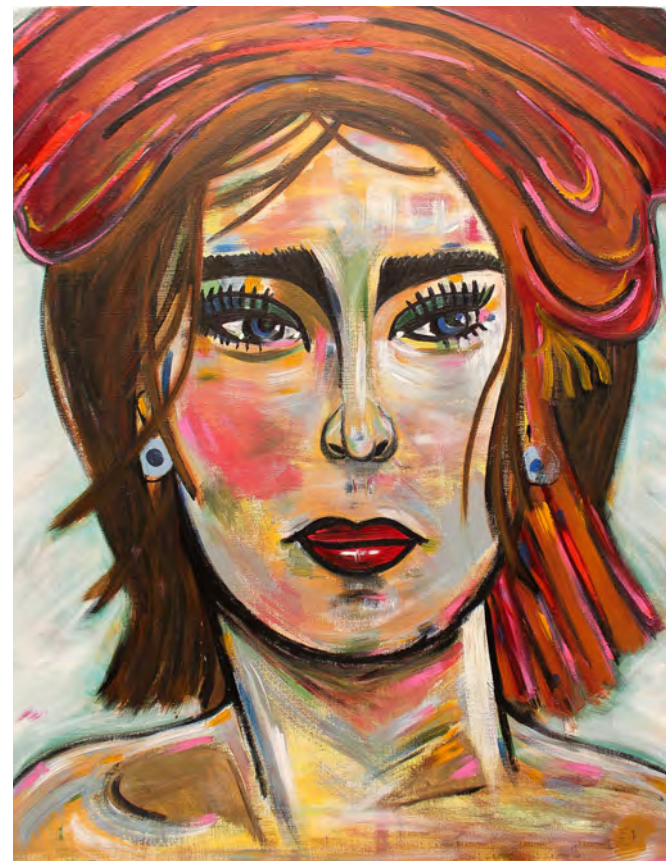

Carolin

KAY

Kay, The Ambitious, is a wonder woman who is looking towards a bright future. She has known her true strength and determination for a very long time but was never able to live it. After facing a tough time in her life she has the strong will to change. She is ready to raise her voice. She is a woman who deserves to show herself, make her own choices and live her dreams as the way she wants!

AVYANNA

Avyanna, The Purposeful, does not like to be called a career mom. She asked herself why society calls working moms career moms but there is no such word for a men with a family and career. Men have an equal responsibility or don't they?

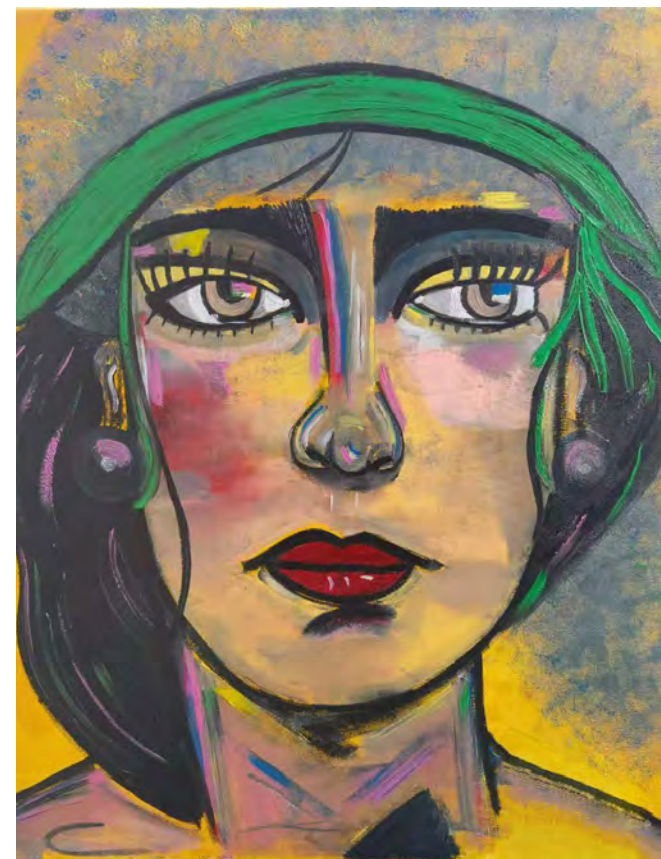

She simply has passion of her own. She has the dream of being successful in her career and as a mom and therefore organises herself well.

SABIRAH

Sabirah, The One Of Great Patience is a woman which can withstand almost anything in life. She is in perfect ease with herself, has a wonderful smile and treats everyone with respect. She is a Treasure for her children.

ADLEY

Adley, The Sceptic With Good Sense, has a lot of trust which often let to betrayal in her private and professional relationships. She still carries the bad experiences with her. As a result, she has built distrust of others. She is aware that distrust is a real sign of weakness and can lead to stagnancy in interpersonal relationships.

A handwritten signature in black ink, appearing to read 'Carolin'.

FEAR

Fear, The Lie in Wait, is often afraid to speak up. She desires interpersonal harmony which causes anxious of getting into an argument because of her own opinion. There are many things in her life that she cannot understand. She knows what she wants but cannot live it out because she often depends on others.

Paulina

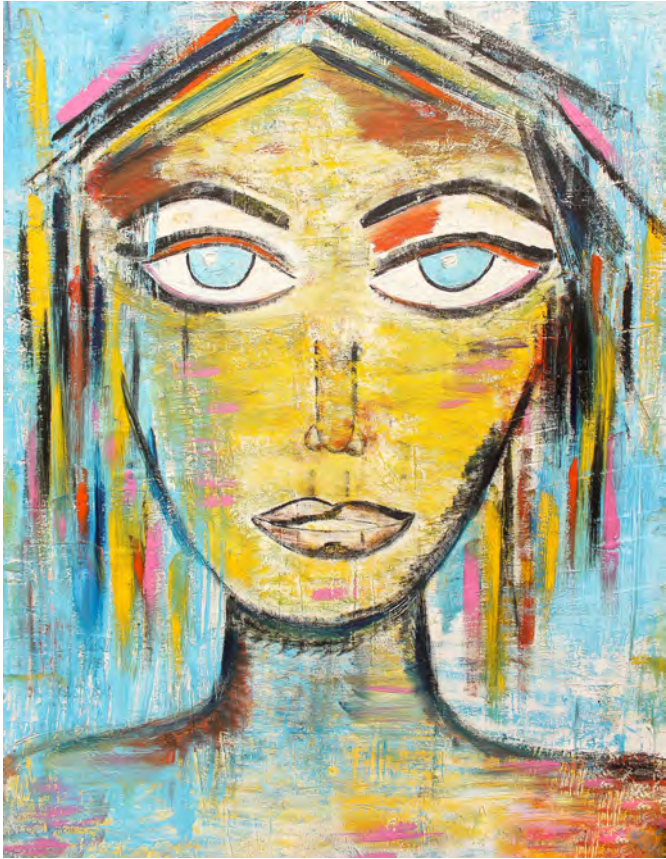

CHLOÉ

Chloe, The Sonder, this woman realised from an early age that everybody has his or her own complex life. She is very aware that everyone else feels the same way. She knows that everybody has moments of mental troubles as well as feeling alone sometimes. She realised that we are all in this world for a reason and that we all belong here. This attitude makes her life easier.

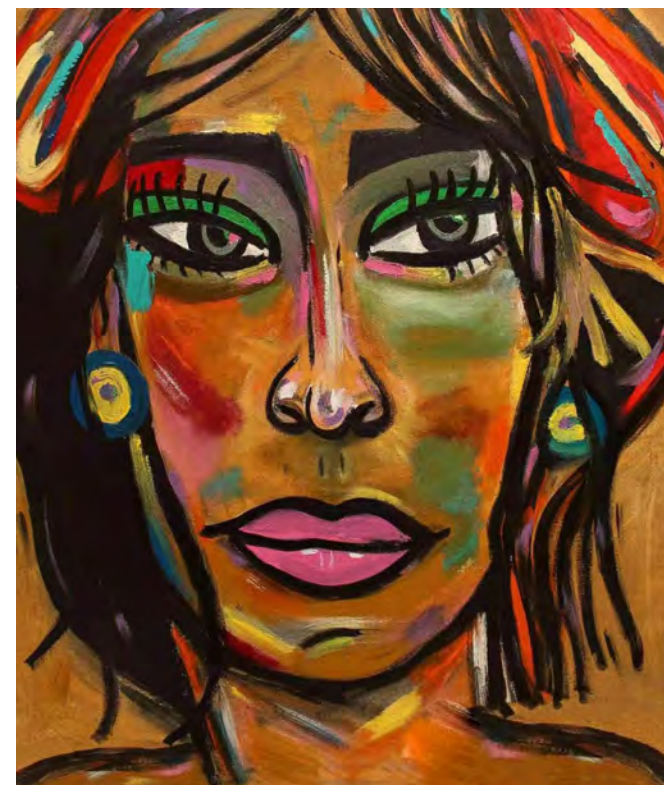

Carlin

ARILYN

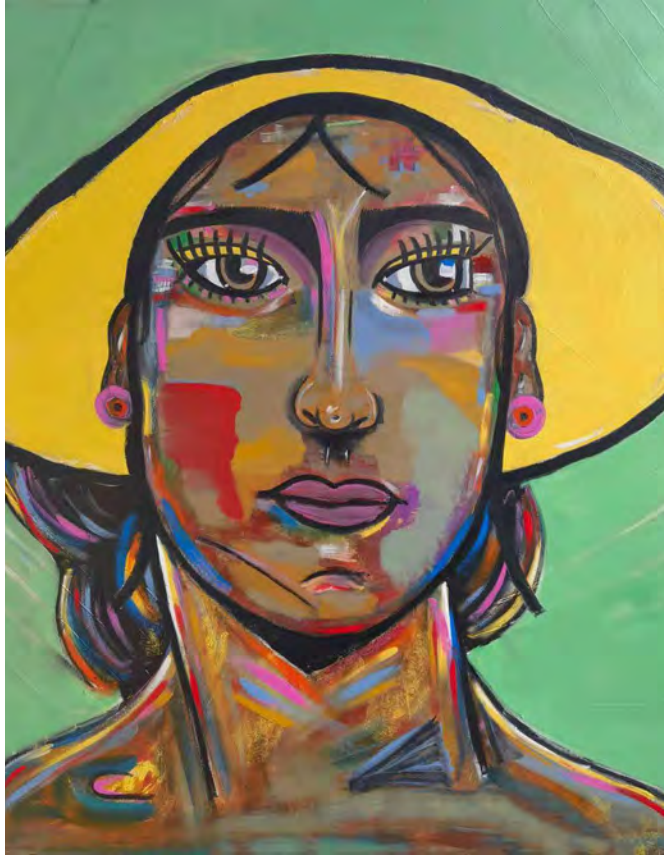

Arilyn, The Precise, always shows great attention to detail. She is very careful and precise. These characteristics give her structure, regularity and reliability. But they also steal a lot of energy. It is very exhausting to be perfect in everything. . Perhaps it would help if she could either hand over some tasks into other hands or if she could see reason that a lot in the upbringing of children is unpredictable and usually turns out differently than one thinks and plans.

BINITA

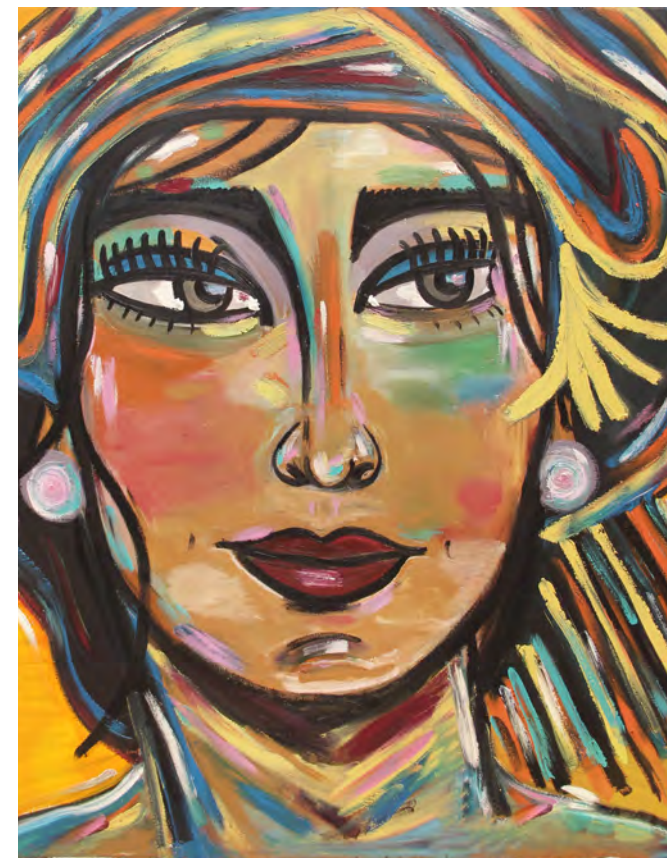

Binita, The Modesty, is confident about herself and her abilities. She does not need to show off in any sense. She is very precise and good at what she does, always taking compliments calmly but doesn't really take them seriously or accept them. She knows what she can do and sees no reason to attract everyone's attention and focus. Nor does she ever place herself at the centre of attention or relationships.

TIBAH

Tibah, The Loving And Attentive, is a very attentive woman. She has a way to let everyone around her feel important and special. Life easily connects with her. She offers attention to everyone around her.

MELODY

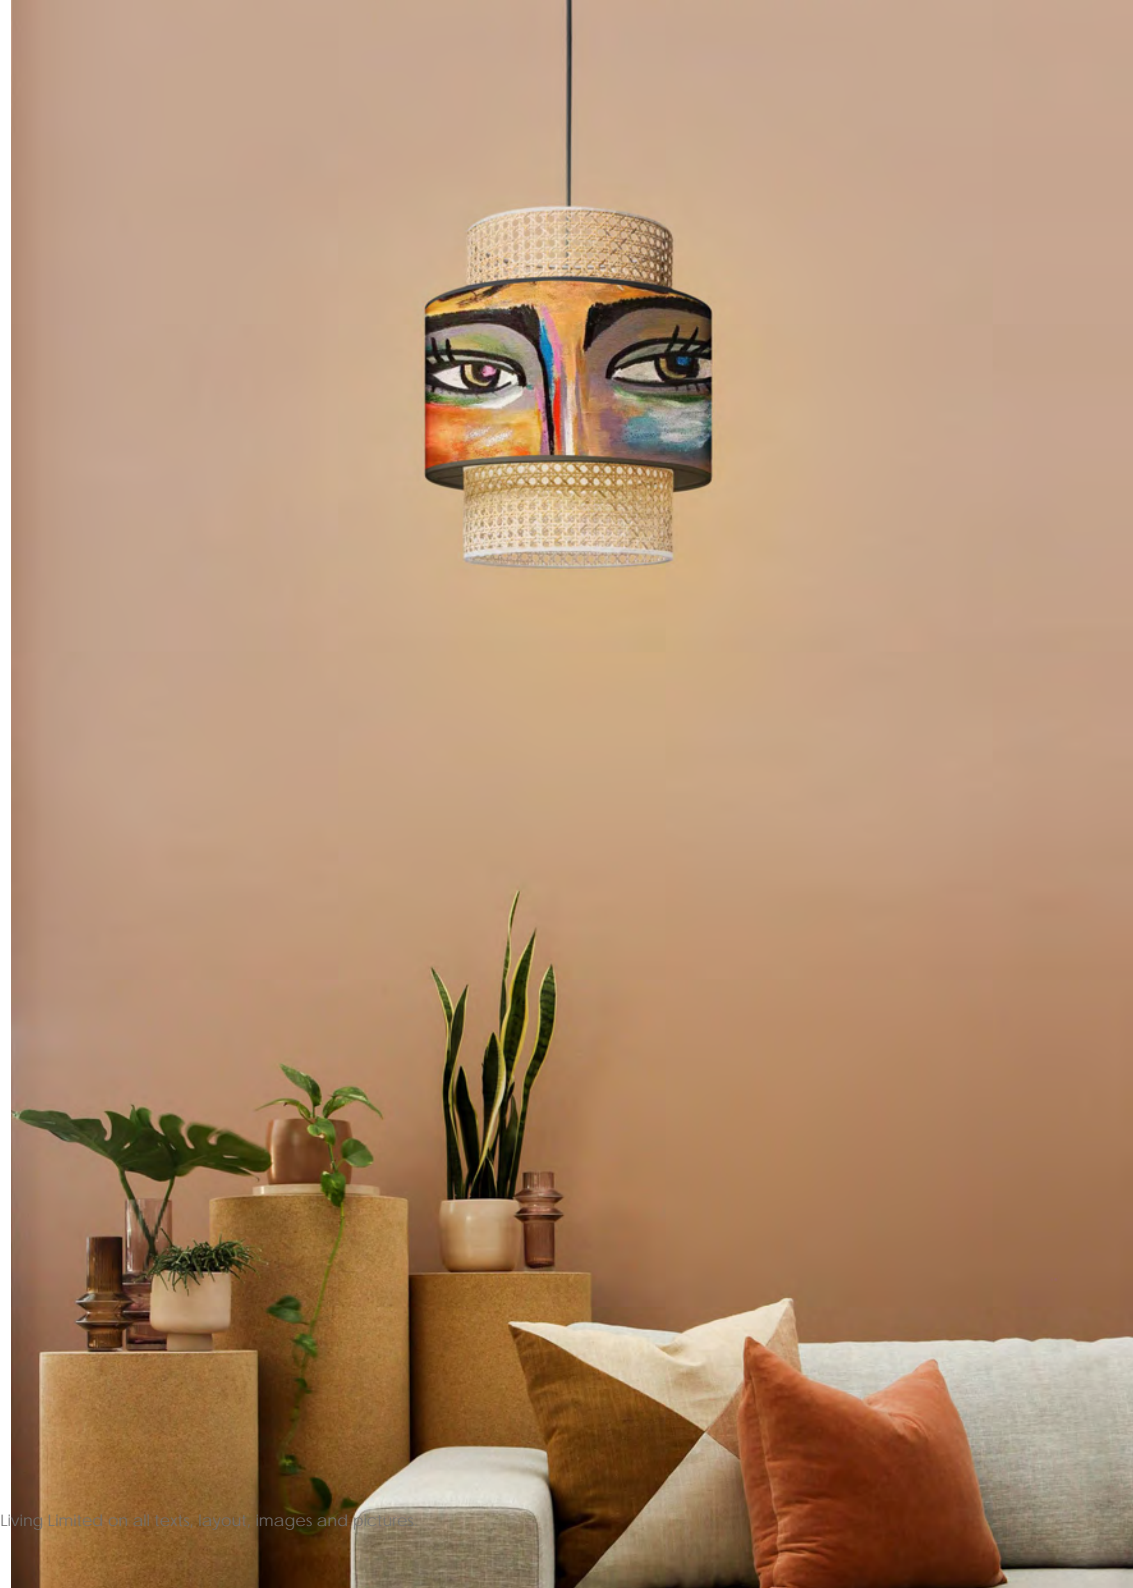

Melody, The Vital is a woman with a vision. Her visions invite her to ask herself, "How do I want to live and what is important to me?" Her visions released unimagined powers. She has a lot of compassion and respect and is very empowered to follow her heart.

AUDELIA

Audelia is a strong woman. She doesn't need any external confirmation to see her true worth. She looks elegant by her well-kept appearance and at the same time by her confident posture she has a strong appearance. She has clear ideas about everything and thus saves unnecessary discussions. Because of her independence, she secretly makes a great role model for many other women.

Carolina

JUNI

Juni is still at the beginning of her life so she is unsure about what she wants to do with her life. She watches others discipline themselves in order to pursue their own goals the correct way. She often starts something but unfortunately never brings things to an end. Giving up is the wrong way. She should trust her gut feeling more and listen less to the opinions of others.

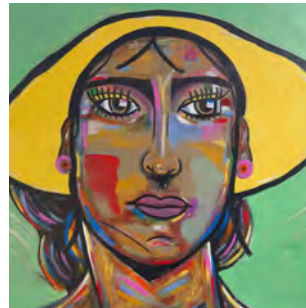

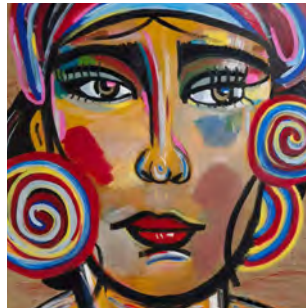

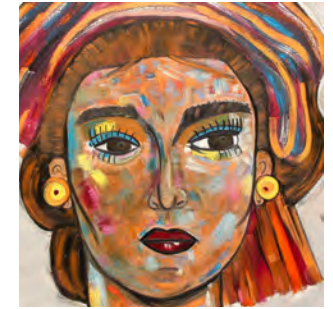

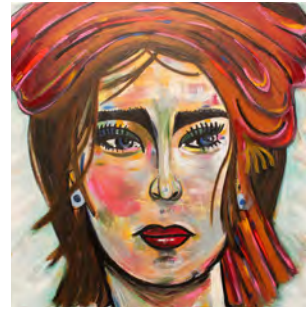

MARGEUX

Margeaux, Sophisticated Elegant is a woman that wants to be able to prevail in the world. She wants to achieve this without fight and whilst remaining happy and faithful to herself. However, she is very indecisive as she lacks confidence. In general she is very sophisticated, educated, cultivated and thoughtful.

No text, layout, images or pictures can be used or reproduced for commercial purposes by third parties, including distributors, retailers, online shops and others, without the prior written consent of Tangla Lighting and Living Limited. The use of text, layout, images and pictures, or the reproduction of such publications in press both written and digital is only permitted when Tangla Lighting and Living Limited is listed as the official right holder and owner of the concept.

All our offers and agreements are subject to our conditions of sale. Upon request you will receive a copy of these terms and conditions. Photographs and images may differ slightly in colour and tone. No rights can be derived from images displayed on screen or printed matter.

All our LED bulbs and LED fixtures use LED technology based on Philips patents. We have entered a license agreement with Philips to be able to freely use these LED patents.

Therefore, we offer you the option to buy our LED bulbs and LED fixtures under one of our Tangla sub brands. Should you decide to buy our LED products under your own private label than we cannot be held responsible for patent risks related to the LED technology used in our LED products.
