## Collection corduroy

Tangla Lighting and Living is delighted to unveil the Corduroy Collection, a fusion of luxurious softness, sustainable materials, and elegant design. This collection features pendant lamps, floor lamps, and table lamps, all crafted to bring warmth and sophistication to hotels, living rooms, and restaurants.

The Corduroy Collection is distinguished by its soft, touchable fabric, creating a sense of comfort and luxury in any setting. The corduroy texture adds a unique tactile dimension to the lamps, making them a stylish addition to any space. Whether in the cozy ambiance of a living room, the sophisticated environment of a hotel lobby, or the inviting atmosphere of a restaurant, the Corduroy Collection enhances the aesthetic and comfort of the surroundings.

Our commitment to quality and safety is reflected in the Corduroy Collection's numerous certifications. Each lamp meets the stringent standards of CE, UKCA, ErP, REACH, and FSC, ensuring that our products are safe, environmentally friendly, and of the highest quality. These certifications underscore our dedication to providing lighting solutions that are not only beautiful but also safe and sustainable.

Understanding that every space has its unique character, the Corduroy Collection offers customized color options. This flexibility allows you to select the perfect shade to complement your interior design, whether you're aiming for a bold statement or a subtle accent. The ability to customize colors ensures that the Corduroy Collection can seamlessly integrate into a wide range of décor styles.

The Corduroy Collection is particularly suited for hotels, living rooms, and restaurants, where its combination of luxury, style, and sustainability can be fully appreciated. The soft touch of the corduroy fabric creates a welcoming and cozy atmosphere, making guests feel at home in hotels, adding a touch of elegance to living rooms, and enhancing the dining experience in restaurants.
