Welcome to Tangla Lighting and Living, where we believe in creating spaces that exude warmth, comfort, and style. Our company is dedicated to providing high-quality lighting and furnishings decor that transform hospitality spaces into homes. With a focus on timeless design, superior craftsmanship, and attention to detail, we strive to bring a touch of elegance and coziness to every space. Our mission is to evoke the "Home Sweet Home" feeling in every space we touch.

Lighting the Way Forward! Tangla Lighting and Living

In the illumination and lifestyle sector, Tangla Lighting and Living shine brightly. Since its inception in 2018, the Hong Kong-based company has steadily risen to prominence, ensuring unparalleled product quality through a series of stringent quality assurance measures, including TÜV and DEKRA certifications. As Tangla's commitment extends from adopting eco-friendly manufacturing processes, prioritizing the use of sustainable materials to full sustainability, and to better implementing and following up on this commitment. This aligns with Tangla's vision to produce innovative and fit-for-purpose lighting and living products.

We are convinced that with this extension, Tangla Lighting and Living will ensure High-Quality Manufacturing for all her clients and will grow to the next level.

Global accessibility and customer satisfaction remain paramount. Tangla's innovative lighting and living products appeal to a diverse, international customer base. The company's collaborative approach empowers its customers, transforming their unique visions into custom-made design concepts. Driving the industry forward, Tangla's innovation is accentuated through its partnerships. The EnabledLED licensing program with Philips focuses on LED luminaires and retrofit bulbs, while the partnership with GS1 promotes the digitization and identification of products.

To support all activities, Tangla created a new wholly owned subsidiary in 2019 under the name Key to Wonders (Foshan) Creative Marketing Co., Ltd. The company offers a range of innovative services. Key to Wonders emphasizes digitalization and visualization, empowering businesses through advanced tools such as 3D renderings, VR and AR and 360° environments.

The company offers a wide range of customization options and digital prototyping to provide businesses with compelling sales presentations and 3D solutions while maintaining client confidentiality. The company utilizes the KTW CRM system to streamline project management and ensure optimal collaboration and customer satisfaction. Key to Wonders not only drives growth through creative marketing solutions for Tangla Lighting and Living but also for other international companies looking to expand their business.

Through these distinct yet interlinked entities, Tangla Lighting and Living continues to illuminate lifestyles worldwide with its innovative designs and commitment to sustainability, product excellence, and customer satisfaction.

Exclusive factory partners

Tangla's exclusive factory partners in China and Cambodia, where innovation meets craftsmanship in the realm of decorative lighting and smart appliances. Our factory partners stand as a beacon of excellence in manufacturing, research and development, and design for global markets.

Nestled in China and Cambodia, our state-of-the-art facilities span an impressive 24,000 square meters, where our team of 380 dedicated employees work tirelessly to bring your visions to life. Equipped with 12 cutting-edge production lines, we boast a remarkable monthly production capacity of 280,000 pieces or 150 containers, ensuring timely delivery of our premium products to customers worldwide.

Our in-house manufacturing processes encompass a diverse range of expertise, from fabric shading to precision powder coating and hand-painted finishes, to meticulous hardware operations including stamping, bending, and welding. Our mastery extends to electronics assembly and packaging, all meticulously executed under a great management to guarantee exceptional quality control at every step.

Join us on a journey of illumination and innovation, where every product is crafted with passion, precision, and a commitment to exceeding expectations. Experience the artistry of our products and the brilliance of smart design - welcome to a world where excellence shines bright.

Tangla LAB for OEM product development

Welcome to Tangla LAB, your ultimate springboard to unrivaled OEM product development. As a unique and dedicated nexus, we display an all-encompassing array of color swatches across a diverse spectrum of materials. Our goal? To offer unwavering, personalized support that propels your OEM endeavors to unprecedented heights.

Discover the depth of our collection, brimming with choices like chiffon, cotton, crepe, denim, lace, leather, linen, satin, silk, synthetics, velvet, and wool. Each material possesses unique attributes, further amplifying your product's aesthetic and functionality. Whether you lean towards bold, vibrant shades or prefer subdued, understated hues, our showroom hosts an impressive multitude of options. Our offerings aren't confined to textiles alone, extending to woods, plastics, and metals, delivering an exhaustive palette for every discerning taste. Our meticulously organized and labeled swatches streamline your browsing experience, facilitating effortless comparisons.

At Tangla LAB, we recognize the transformative potential of color. Our dedicated team is primed to aid you in pinpointing that perfect shade, poised to elevate your product to a league of its own.

Tangla LAB transcends the boundaries of a traditional showroom, acting as a dynamic collaborative space engineered to kindle creativity and inspire innovation. We welcome you to traverse our realm and engage with our expert team who are eager to comprehend your distinct needs and offer tailored solutions. Your success and satisfaction sit at the pinnacle of our priorities. We strive to provide unparalleled customer service throughout your OEM product development journey.

Whether you need guidance in cherry-picking the ideal color combination, identifying materials that resonate with your product ethos, or staying abreast with the pulsating rhythm of industry trends, our knowledgeable team is poised to assist at every juncture. Equipped with comprehensive industry knowledge, extensive hands-on experience, and a steadfast dedication to anticipating market movements, Tangla LAB stands as your steadfast ally in the journey of crafting exceptional OEM products.

At Tangla LAB, we are more than what meets the eye. We embody a philosophy of relentless pursuit of customer satisfaction and success. Our versatile team stays ahead of industry trends, ensuring we provide you with invaluable insights and well-informed recommendations. Whether it's selecting a color palette that sets your product apart, identifying materials that augment product quality, or keeping you ahead of market changes, we are your constant guides.

Venture into Tangla LAB where your imagination meets our innovation and discover a world of boundless possibilities. Together, let's create something extraordinary.

collection outdoor folded paper

In recent years, outdoor hospitality spaces have undergone a transformation, with a growing emphasis on unique, eco-friendly, and visually appealing lighting solutions. Designers and venue operators are exploring innovative options that enhance the ambiance of gardens, patios, and outdoor gathering areas. One standout choice gaining traction is folded lampshades. These designs not only elevate the aesthetics of outdoor spaces but also promote sustainable living.

Tangla's folded lampshades seamlessly integrate art and functionality. Constructed from high-density spun-bound polyethylene fibers, they are lightweight, durable, and breathable, offering resistance to water, abrasion, bacterial penetration, and aging. When unfurled, these lampshades reveal stunning, voluminous forms supported by concealed metal rings. Certified by IP44, UKCA, ERP, REACH, and FSC, Tangla's lampshades guarantee quality, safety, and sustainability.

The benefits of folded lampshades are numerous:

- **Eco-Friendly Materials:** Crafted from recyclable synthetic materials, they significantly reduce environmental impact.
- **Aesthetic Appeal:** Their intricate folds and patterns create a soft, diffused light that enhances the outdoor atmosphere, perfect for hospitality settings.
- **Versatility:** Ideal for gardens, patios, balconies, and terraces, these lampshades can be customized to complement various outdoor decor styles.
- **Cost-Effectiveness:** Affordable materials and a lightweight design minimize shipping and installation costs, while their energy efficiency helps lower electricity bills.
- **Durability:** Weather-resistant materials and robust metal ring support ensure they withstand outdoor conditions over time.

Folded lampshades are perfect for garden parties, outdoor events, restaurant patios, and resort spaces, adding a touch of sophistication and charm. As trends increasingly favor sustainable and customizable lighting solutions, folded lampshades are poised to become a staple in outdoor hospitality decor.

collection petal paper

Introducing the Petal Paper Collection, a sophisticated fusion of elegance and eco-conscious design, specifically tailored for hospitality environments such as hotels and restaurants. Each piece in this exclusive collection is meticulously crafted using FSC-certified materials, reflecting a steadfast commitment to environmental responsibility and sustainable luxury.

Natural Beauty and Unique Design: At the core of the Petal Paper Collection is the innovative use of real petals, delicately embedded within each lamp. This unique approach enhances the natural aesthetic, creating a visually captivating experience that harmonizes the beauty of nature with contemporary design. The result is a lighting solution that is not only extraordinary but also environmentally friendly, perfect for creating memorable atmospheres in hospitality spaces.

Versatility and Customization: The collection features a range of sizes, ensuring that there is an ideal option for any hospitality setting. Whether aiming to make a striking statement in a hotel lobby, add a touch of elegance to a restaurant dining area, or foster a serene ambiance in a spa, the Petal Paper Collection offers versatile solutions tailored to meet specific needs and design preferences.

Eco-Friendly Commitment: Each lamp in the Petal Paper Collection transcends mere functionality; it serves as a piece of art that embodies a dedication to mindful design. The natural petals introduce a unique organic element, fostering a serene and inviting atmosphere that encourages relaxation and well-being in guests. With sustainable materials and thoughtful construction, these lamps stand as a testament to a commitment to a greener future.

Illuminate your hospitality spaces with the Petal Paper Collection and discover the perfect blend of sophistication and sustainability. By choosing this collection, you not only enhance your environment's aesthetic appeal but also support a vision that prioritizes eco-friendly practices and innovative design.

collection lampshade linen

Unveiling a new realm of lighting aesthetics, the Natural Linen Lampshade Series is expertly designed to enhance the ambiance of hospitality environments such as hotels and restaurants. This collection is a symphony of nature and sophistication, transforming lampshades into centerpieces of refined style and organic charm.

Each lampshade is crafted with meticulous attention to detail, intertwining the rustic allure of rattan with the delicate grace of linen to offer a unique and enchanting glow. When paired with thoughtfully designed lighting fixtures, these lampshades create an atmosphere of understated elegance, perfect for enriching guest experiences.

Their versatility makes them a seamless addition to any decor, from contemporary to classic, infusing every hospitality space with warm, inviting light that celebrates the beauty of natural materials. Experience the transformation as these lampshades bring a touch of nature indoors, not only illuminating rooms but also adding texture and depth to enhance overall aesthetic appeal.

The natural fibers of linen and rattan provide soft, diffused light while contributing to a sustainable lifestyle, reflecting a commitment to eco-friendly practices. Whether placed in a cozy hotel lounge, a serene restaurant dining area, or a sophisticated conference room, these lampshades blend effortlessly with any setting. The combination of linen's softness and rattan's strength ensures durability and timeless appeal that transcends trends.

We believe in creating lighting solutions that are as functional as they are beautiful. The Natural Linen Lampshade Series offers both aesthetic pleasure and practical lighting solutions, making it easier than ever to create inviting, well-lit spaces that resonate with natural elegance in the hospitality industry.

collection

custom lampshade design and printing

Elevating Hospitality Spaces with Unique Fabrics as we are excited to share our comprehensive process for creating custom prints on high-quality fabrics, designed specifically for hospitality designers looking to enhance their environments with unique lampshades. Our company specializes in transforming your creative visions into reality, offering a seamless collaboration that ensures your designs are not only original but also perfectly suited for your space.

Our Process

1. Concept Development: Begin by sharing your ideas with our design team. Whether you have a specific pattern in mind or need assistance in developing a unique concept, we are here to guide you through the process.
2. Design Creation: Once we have your input, our talented designers will create a digital mockup based on your specifications. This includes incorporating elements from existing prints or developing entirely new designs that capture the essence of your vision.
3. Sample Production: After finalizing the design, we prepare fabric samples within just 4-5 days. This allows you to evaluate the clarity, vibrancy, and overall look of your new design before committing to a larger order.
4. Printing: Using state-of-the-art printing technology, we ensure that your designs are faithfully reproduced on our high-density fabrics, including TC, Linen, Cotton, and Velvet. These materials are chosen for their ability to showcase intricate details and vibrant colors, making your lampshades stand out.

Our Expertise

With years of experience in the industry, our company is dedicated to providing hospitality designers with the tools and support they need to create stunning interiors. Our team specializes in producing unique, patent-free designs that align with your creative vision while prioritizing originality and quality.

We understand the importance of aesthetics in hospitality spaces, and our commitment to excellence ensures that every lampshade we produce enhances the ambiance
