Lighting & Living

collection
compact packed

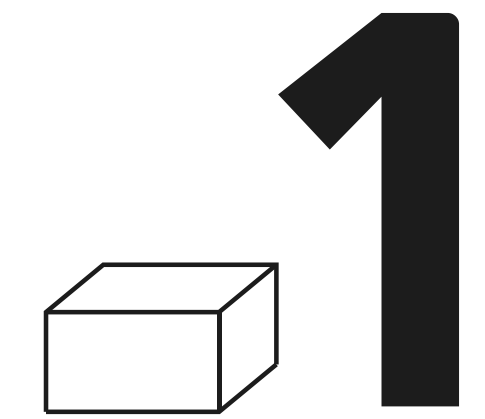

collection compact packed

Tangla lighting and living keeps surprising.

We developed a complete collection of top-selling floor lamps packed in a super-compact box. We improved the product's structure in order to reduce the size of the packaging box. As a result, the use of paper is reduced and the use of non-essential plastics is eliminated, which is in line with the current sustainable environment. In addition, a smaller packaging box can save money on transportation and inventory.

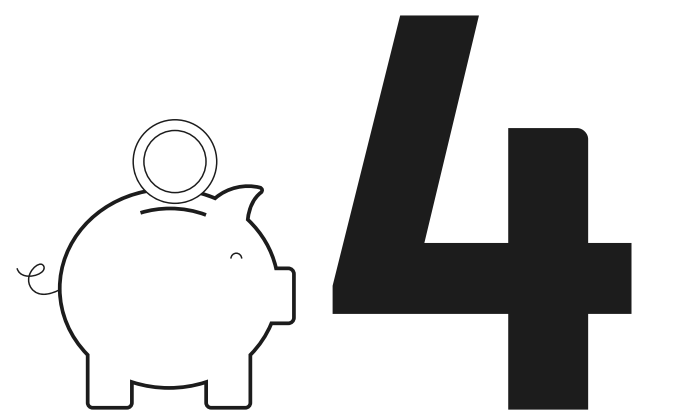

**more compact
& smaller size**

**easy to
assemble**

eco-friendly

more cost-effective

ENABLED

All our LED bulbs and LED fixtures use LED technology based on Philips patents. We have entered a license agreement with Philips to be able to freely use these LED patents. Therefore, we offer you the option to buy our LED bulbs and LED fixtures under one of our Tangla sub brands. Should you decide to buy our LED products under your own private label than we cannot be hold responsible for patent risks related to the LED technology used in our LED products.
